**Subject: Requested Electronic Files of Maps for NL/Taracorp Superfund Project,
Granite City, Illinois**

Dear Mr. Gelman:

As we discussed this morning, the electronic CADD files for the color coded soil lead concentration maps that were sent to you on March 17, 1995, have been copied onto the enclosed computer disk.

If you have any questions or require further information, please call.

Sincerely,

David L. Pate
Senior Project Geologist
